

## **PLEXCONNECT 2026 - Reverse Buyer-Seller Meet (RBSM), 5-10 February 2026**

The Embassy of India in Ashgabat is pleased to share that the Plastics Export Promotion Council (PLEXCONCIL) has commenced preparations for PLEXCONNECT 2026 – Reverse Buyer-Seller Meet (RBSM), which is proposed to be organized alongside PLASTINDIA 2026, scheduled to take place from 5 – 10 February 2026 at Bharat Mandapam, New Delhi, India.

PLEXCONNECT is India's only export-focused plastics exhibition. Since its inception, it has rapidly emerged as a premier platform for promoting India's plastics industry in global markets. The second edition in 2024 generated business inquiries worth USD 57.5 million and on-spot deals valued at USD 5.1 million, attracting over 350 international buyers from more than 50 countries, and featuring 316 Indian exhibitors.

Organized by the PLASTINDIA Foundation, PLASTINDIA is Asia's largest and the world's second-largest plastics exhibition. It is a globally renowned platform showcasing the strength, diversity, and technological progress of the Indian plastics industry, covering the entire value chain — from raw materials and machinery to finished products and recycling solutions.

As part of this initiative, PLEXCONCIL is seeking participation from quality international buyers of plastic products. The Embassy of India in Ashgabat invites interested Turkmen companies to explore this unique opportunity to connect with Indian exporters, expand sourcing networks, and establish meaningful business partnerships.

For further details or to express interest in participating, please visit PLEXCONCIL [www.plexconcil.org](http://www.plexconcil.org) and register at <https://www.plexconcil.org/plexconnect/buyer-details>
